

PRAYER FOR THE MINISTRY OF ANGELS

Heavenly Father, thank You for the ministry of angels in my life. It gives me great comfort to realize that You have given them charge over me in order to keep me at all times. I praise You for angels, O God.

Thank You, Father, for sending angels (Your ministering spirits) to minister to all believers. I believe and receive their ministry in my life. Give me a greater appreciation and understanding of the work of angels in my life, O God. I realize there are thousands of angels, and I thank You that You are in their midst.

Thank You, Father, that hundreds of thousands of angels are ministering to You, and I thank You for allowing Your angels to minister to me in so many ways. Thank You for my guardian angels that continually behold Your face in heaven.

It gives me great comfort and a wonderful sense of security to realize that Your angels are encamping around me, and to know that they are always ready to deliver me. In the same way You sent the angel to shut the lion's mouth in order to protect Daniel, I ask You to let Your angels watch over and protect me.

Thank You, Father, for the power of Jesus Christ in my life. He is the brightness of Your glory and the express image of Your person, and He upholds all things by the word of His power. Thank You for the fact that He has purged me of all my sins, and now sits at Your right hand. The inheritance He has received permits Him to obtain a more excellent name than even the name of angels. I join with the angels of heaven, Lord God, in honoring Jesus Christ, because I know that through Him, You have made Your angels a flame of fire in my life. Thank You for angels, Father. In Jesus' name I pray. Amen.
